CITY of CLEAR LAKE SHORES
WATERFRONT LEASE
BID INSTRUCTIONS

1. The City of Clear Lake Shores intends to lease, on a long-term basis, those waterfront properties listed on Exhibit 1. These Premises are of varying dimensions and are located within the perimeter of the subdivision of Clear Lake Shores. The successful bidder must agree to enter into the City's current Waterfront Lease Agreement and accept the conditions specified in that Agreement, the term of which ends on July 31, 2023. A survey of the Premises and the Waterfront Lease Agreement may be obtained from the City Secretary.

2. To be qualified to bid on a waterfront lease (Premises), a bidder must be an owner of record (or Beneficial Owner resulting from a trust or estate) of at least a 50% interest in any residential building lot within the R-1 Residential District of Clear Lake Shores. A property owner is not qualified to bid on any waterfront lease, if in bidding on such a lease, the total bulkhead footage of leases held by that property owner would exceed 40 feet when the lease being bid upon is included along with existing leases then held by the property owner, regardless of whether the property owner was successful in his bid or not.

3. Bidders should understand, and accept, that there may be immediate action (compliance work) required on their part, and additional cost involved, in bringing the Premises into full compliance with requirements specified in the Lease Agreement. Any compliance work identified by the City to bring the Premises into full compliance with the requirements specified in the Lease Agreement will be completed to the City's satisfaction within 90 days from the date the bid is awarded, unless an extension is agreed to in writing by the City. In the event such compliance work is not satisfactorily completed, the Lease Agreement will be terminated and the Bid Amount remitted with the Bid Form will be forfeited to cover the costs and lost revenue to the City from -bidding the leased premises. A list of required compliance work for the Premises, along with a recent survey of the premises, may be obtained from the City Secretary and must be attached to the Bid Form. It will be the responsibility of each bidder to determine the cost of bringing the premises fully in compliance with the requirements specified in the Lease Agreement.

4. Sealed Bids must be submitted using the attached Bid Form in a sealed envelope marked "Waterfront Lease Bid, Lease Number (Fill in lease number)" and the Bidder's name, address, and phone number on the outside of a sealed envelope. Bids not properly marked will not be opened, and will be rejected.

The Bidder must submit a separate Bid Form for each waterfront lease upon which he is submitting a bid; individual Bid Forms must not include bids for more than one waterfront lease. Bids must be unconditional. Any Bid Forms not meeting these conditions shall be considered to be invalid and will not be accepted by the City

Sealed Bids, on bid forms provided, addressed to Christy Stroup, City Secretary, will be received at the City Hall, 1006 South Shore Drive, Clear Lake Shores, Texas 77565, until 5:00 P.M. on 11/15/17 for the right to lease waterfront properties within the City. *A valid bid must contain a properly prepared and executed Bid Form (Attachment A) accompanied by a cashier's check money order, or personal check made payable to the City of Clear Lake Shores, the total amount of which must at least be equal to or exceed the Reserve Bid Amount as shown for each lease on Exhibit I.*

5. Bids will be publicly opened and tabulated at 9:00 A.M. on 11/17/17, at the City Hall Conference Room, 1006 South Shore Drive, Clear Lake Shores. The City reserves the right to reject, without cause, any and all Bid Amounts, including those that do not equal the Reserve Bid Values shown on Exhibit 1.
