

Clear Lake's best kept secret is now its best commercial opportunity.

# Town Center

## Clear Lake Shores

**This Town Center** development is strategically located along FM 2094/Marina Bay Drive, between fast-growing League City and the heavily-visited Kemah Boardwalk near Highway 146. The Town Center Master Plan features a nine-acre area with all new roads; shared city-provided public parking; and planned landscaping, lighting and sidewalks. Zoned for mixed use, this area is pedestrian friendly and ready for development, including an eleven-acre undeveloped site in front of the 950-slip Watergate Marina. Waterfront sites and vacant or under-utilized buildings are available that provide an excellent setting for restaurant and small retail among already thriving dining establishments. A city-owned corner property may be available for selected usage in this business friendly city.
