NOTICE is hereby given of a Regular Meeting of the Roads and Drainage Committee for the City of Clear Lake Shores, County of Galveston, State of Texas, to be held on the above-mentioned date and time at the Club House, Clear Lake Shores, Texas, for the purpose of considering the following items.

1) Rundown of the various RFP's

- Ditch maintenance and north-south culverts for Narcissus Road. Need to highlight the about 8 culverts to adjust.
- FDR for Narcissus Road.
- Cross-culvert on Narcissus and Ivy RFP is approved.
- Do we address general clean-up?
- Clear Lake bridge evaluation, repair and maintenance is approved, but release may be delayed subject to any grant application.
- Clear Lake Road bridge approaches (both sides).
- Sidewalk for east side of Clear Lake Road from bridge to Birch Road and from bridge to Aspen Road.
- Check valves on outflow culverts, modified for outflow at Ivy and West/North Shore.
- 304 Oak, now to include house # 218.
- 1026 Oak is approved.
- New – RFP for resetting culverts on East Narcissus between Ivy and Juniper. This is at the circular drive at house # 303 and area near house # 225. This is a cost-benefit analysis.
- New – RFP for resetting culverts on West Narcissus between Ivy and Juniper. Problem area is at house # 226 and # 222. This is a cost-benefit analysis.

2) Various carry over

- Alternative engineering companies.
- High Tide to update flow lines in CAD when a project is done or culvert is installed or modified.
- CA to manage the projects.
- Building official to be called in to correct drainage inlets on the new construction at # 830 and # 834 Birch.

3) Any other business
