

A MESSAGE FROM

OUR MAYOR

OCTOBER 2021

CLS Citizens and Business Owners,

Well, old Hurricane Nicholas was a bit more than what was expected, and certainly was no saint. Our Town Center merchants suffered the most with substantial flooding, but with the amazing help of many, most of the businesses were up and running within a few days versus the initial forecast of taking at least a week or more to recover.

In addition, with the amazing help of many residents most downed trees in the city were removed immediately. The City and Economic Development Corporation worked together to provide a Hurricane Nicholas Emergency Town Center Flood Recovery Program which provided \$5K of assistance to each of the five businesses impacted by the hurricane consisting of; Aspens, Okies Yardhouse, Schafer's Coastal Bar & Grille, Skippers Greek Cafe, and Soulfreak Studio Café. Overall, we came through that hurricane pretty well. Hats off to Centerpoint Energy for their quick response to our city and having us completely restored within a few days.

CLS is so very fortunate to have the staff that we do. Jorge, Odi, Chief Keele and the entire police department, City Administrator Spier and our amazing Communications Specialist Adri Richey, worked tirelessly before, during and after the storm. If you are not receiving the many notifications that are sent out, please look for the page in the Islander that shows you how to sign up for the many ways you can receive information.

It was a great honor to attend this year's Patriot Awards for our area First Responders on September 8th hosted by the League City Chamber of Commerce with Councilmembers Monica Ledet & Randy Chronister, Chief Keele, AC Donaldson, Capt Gist and City Administrator Brent Spier. We celebrated our very own Officer Shimansky receive a Patriot Award for all of his outstanding efforts keeping a keen eye towards people Driving while Under the Influence and recognizing all his great work for The City of Clear Lake Shores. Way to go Officer Shimansky, Congratulations!

A MESSAGE FROM OUR MAYOR

Don't forget that the 10th Annual BBQ Cook Off takes place on October 23, 2021. Stop by and purchase a BBQ plate, have a cold cocktail/beer and buy something from the Silent Auction. All proceeds benefit the Civic Club which is who we rely on to host most all of our city events.

Are you ready for the 2021 Houston Bay Area Heart Walk Experience with the Mayors with Heart Team Clear Lake Shores Sunsetters? This year's walk is in person at the Kemah Boardwalk (YEA!) and it will be on Saturday, November 20, 2021. I know this is the same day as the Thanksgiving dinner, but what better way to be able to eat more than by walking 5K that morning. See flyer in the Islander to sign up.

As always, please feel free to reach out to me if you have any questions or concerns by email or phone.

May God Bless CLS,

Mayor Kurt
