

A MESSAGE FROM OUR MAYOR

JUNE 2022

CLS Citizens and Business Owners,

Did anyone feel Spring? It's like it was here one or two days and then BAM the Heat is ON that is for sure. I know I'm not telling you anything you don't already know but I have two quick safety messages for you to start off with; please take care of yourself in the heat and drink plenty of fluids (water that is for us CLSers) and as everyone starts getting back into the swimming pools let's make sure there is always a dedicated person to watch the young ones. I know from my own experiences that it only takes a few seconds of not paying attention, and you have a drowning.

The new Daniel Dror Road between FM2094 and FM518 is pretty much complete and only waiting for the new intersection at FM518 signal lights to be installed pending receipt of some larger poles they had to order due to supply chain issues. Once these are installed, we'll have a ribbon-cutting and open the road up. This will really enhance our mobility from CLS to the South including those "out of towners" from the South patronizing our businesses.

On the City Council front, there was a special meeting held on May 17, 2022, to swear in our re-elected council members Randy Chronister, Rick Fisher, and Alex Scanlon for another two years. Congratulations and what a pleasure it is to continue to work with this Council. In addition, by unanimous vote and Councilmember Steve Wirtes absent, the following appointments were made by City Council; Randy Chronister - Mayor pro tem and Roads and Drainage committee liaison, Monica Ledet - Planning and Zoning commission liaison, Alex Scanlon - Waterfront Compliance committee liaison, and Rick Fisher - Parks and Pool committee liaison. Oh, and all the Council also received their Silver Dollar for all their hard work for the year. Let's give all our volunteers a BIG THANKS for everything they do.

At the April 19, 2022, meeting we were all privileged to be joined by selected students from LaVace Stewart Elementary that are part of the Leader in Me program and ran a perfect City Council meeting. I tell you what we have some great kids and I believe Gabriel, who was Mayor for the day may even be our next mayor! The June 7, 2022, City Council meeting will be a full agenda as the city will be recognizing the graduating seniors, Civic Club will be awarding scholarships, and there will be a combined session with the Planning and Zoning Board Committee to have a public comment and discussion on a few zoning change requests. The P&Z commission consists of citizens or property owners from the city who will make a recommendation to City Council by board majority vote in attendance that evening. I encourage you to attend the meeting and let them know your position on these as well as talk to me or any Councilmembers. Your voice is important and needs to be heard as these changes will impact the city for many years to come.

Lastly, what a great 60th Anniversary picnic we had. Many thanks to everyone that came out but a special thanks to the 60th Anniversary committee that put this on. Speaking of the committee they are already busy preparing for the next 60th Anniversary event which will be a fun filled Gala at the South Shore Resort. Be sure to look for the information in this Islander.

May God Bless CLS,

Mayor Kurt
