

# A MESSAGE FROM OUR MAYOR

JULY 2020

CLS Citizens and Business Owners,

COVID-19 - So, we are now at this for 106 days and counting. Some of our businesses continue to remain closed or delay the return of personnel back to work because of the past few weeks we have increased our COVID-019 numbers. We must really work hard on trying to slow this thing down and I urge you to continue to adhere to the CDC guidelines and maintain good hygiene and social distancing.

Are you ready for the 4th of July? As we gather with family and friends to celebrate our nation's Independence this year, things will definitely be different as we have unfortunately had the recent COVID-19 epidemic and then the recent horrific act in Minnesota and other acts of violence taking place throughout the world. We need to take the time to be especially grateful for the blessings of freedom that this day is about. Our community is so blessed with neighbors helping each other out and an amazing Police Department led by Chief Keele, but not everyone has that in their community, so I ask that we keep our country in either your prayers or just positive thoughts.

Unfortunately, due to the COVID-19 we had to cancel many of the City celebrations. But still the show must go on so there will be a golf cart parade which will begin at 10:30 (lineup at 10:15) and hosted by the CLS Civic Club. Then our awesome City staff, Council and I will be cooking and giving away hot dogs to the citizens from 11:30 AM – 12:30 PM at Jarboe pavilion. So, come on by and get some hot dogs. We will be following the CDC guidelines.

Hopefully, many of you will take some time to get away for the summer and when you do don't forget to submit a Vacation Watch Form to our great Police Force that they will use it to perform watches on your house while you are gone.

This weekend, as you hear patriotic music being played and see thousands of American flags being waved, please pause to remember the heroic men and women of our United States Armed Forces who helped make our freedom possible. Today, these courageous soldiers continue to sacrifice on our behalf defending our democracy, safeguarding our security, protecting our liberty, and preserving our great quality of life. If you get the opportunity, please thank them.

Where every sunset is celebrated and we look forward to every sunrise!

Island Life & Golf Cart Rides

May God bless CLS.  
-Mayor Kurt
